Dear Sunil,

You will receive the PO from Eurotex soon..

You will also receive the Navy color standard from Intertex directly.

The price has been fixed at USD 4.62/M to cover the \$666 which Eurotex had failed to pay from the flannel order.

Regards

Orson

Dear Orson

Well noted you color break up, thanks

Further please arrange to send us formal po copy for our ref.. Also we need color std for navy. For black and sand, we will manage as per from approved lab dips of previous supply. The delivery dates would be 25th Jan -2013 ex mill + 12 days extra for export (ex India)

Further what will be terms of payment is it 90 days LC or TT

Further what about the balance payment for short TT received for last supply. Already highlighted the difference of USD666.91 which we have received short. Please get it done separately so that outstanding showing against the invoice 128 to be cleared from the a/c

Dear Satish

Re: Short payment received from Eurotex to be adjusted in next new order.

The matter had already been taken up with the customer as well as with the agent. Now it has been decided that the balance payment of \$666 and sampling invoice DINV/156835/2013-value INR3000 & DINV/156836/2013-value INR1500 to be adjusted.

The customer has placed the order with price \$ 4.62

The price is settle for new order : 4.55/mtr C&F Port Said for 10000 mtrs = USD45500 The order place with incresed price : 4.62/mtr C&F Port Said for 10000 mtrs=USD46200
Difference =USD 700 to be
adjust in balance of previous order and sampling etc.

Emails are attached for communication with the buyer.
